ISSUE 2

NOVEMBER 2011

Northern Tier High Adventure Base

Troop 171 recently sent a crew to the Northern Tier

High Adventure Base in northern Minnesota to experience a week of wilderness canoeing. [Photo: Pictured from left to right are John Wiltenmuth, Tim McCloud, Andrew Butterfield, Sean Mades, Dan Dewitt (Interpreter), Robert Brandel, and Bob Wilkinson.] The crew covered over 50 miles during their expedition and also earned awards for Lake Monitor-

ing and Duty to God. Below: Monitoring water clarity in Knife Lake.

Online Training

Online Training Orientation Video

A video describing how to take online training, use the training validation tool at myscouting.org, and how to update your training records is available on YouTube for anyone who has questions. Video link is: <http://www.youtube.com/watch?v=IJSbL4sivUI>

TroopMaster

TroopMaster is Troop 171's web based database of Scout records. Use Troopmaster to check your Scout's record for accuracy. Encourage your son to complete any partial merit badges or items required for rank advancement. For logon information contact Bob Mitchell.

Help Needed

Parents needed to help transport Scouts to our assigned Scouting for Food neighborhood. Please see Stu Butterfield if you can assist.
